**NAAC Accredited Grade 'A' College**

**Proceedings of the online IQAC meeting held on 19<sup>th</sup> December, 2020 at 7.00 PM on  
Google Meet Platform with Dr. Sujata Bagchi Banerjee in the chair:**

## **Agenda:**

1. To deliberate over and discuss the previous NAAC Report
2. To discuss the best practices recommended by the West Bengal State Higher Education (WBSHE)
3. To review the National Institutional Ranking Framework (NIRF) status of our college.
4. Miscellaneous

The following resolutions have been taken:

1. Confirmation of the proceeding of the previous meeting.
2. It is unanimously resolved that the college will organize workshops and training sessions to inform and educate the faculty and staff about the significance of NAAC accreditation; and at the same time explore opportunities to collaborate with other accredited institutions to share best practices for NAAC readiness.
3. Form a committee to review the WBSHE best practices framework and adapt relevant practices to our institutional context. Assign responsible individuals for each identified best practice, along with clear timelines for implementation. Establish a monitoring mechanism to track the progress of each best practice and report results periodically to the Principal.
4. Analyze the parameters in which our institution scored lower in the NIRF ranking and create action plans to address these areas. Establish a task force to gather data and evidence required for improving our ranking in specific NIRF parameters. Explore the opportunities of collaborations and partnerships with industry, academia, and research institutions to enhance research and innovation, thereby positively impacting our NIRF score. Initiate a targeted communication strategy to showcase our institution's strengths in areas that align with high-scoring NIRF parameters.

IQAC is assigned the responsibility to collect and preserve data regarding higher education of the students and their recruitment in various professional arenas.

5. Create a suggestions box to collect students' feedback for future meetings so that the college authority can ensure quality education and improve infrastructure of the college.
